

THINK SMARTH. Study in Czechia

Dreaming of studying in Europe? Join us for an online seminar introducing higher-education opportunities in **Czechia** — right in the heart of Europe.

Gain insight into bachelor's, master's and PhD programmes, along with **summer schools and Czech language preparatory** and foundation courses. The session will also cover student life in Czechia and everyday experience of living and studying abroad from the perspective of a Taiwanese student, as well as an interactive Q&A, offering you the opportunity to ask questions directly.

The seminar is organized by **Study in Czechia**, Institute for Language and Preparatory Studies and Czech Economic and Cultural Office in Taipei and is designed for Taiwanese students interested in international education.
