

INTRODUCTION

China Medical University (CMU) was founded in 1958 and now has developed into a world-class university with several Joint Commission International (JCI) -accredited hospitals with over 5000 beds. China Medical University is ranked top 200 in Clinical Medicine and Pharmacy and top 400 overall in 2015 Academic Rankings of World Universities. CMU is very strong in cancer research, Chinese Medicine, stem cell research, acupuncture and brain diseases. Our vision is to become a globally renowned university for both Chinese and Western medicine and to cultivate the elites of medical professionals with competence, compassion, and integrity.
