

# National Chung Hsing University

國立中興大學

## INTRODUCTION

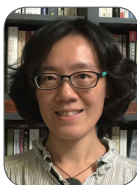

Established in 1919 as an Advanced Academy of Agronomy and Forestry, National Chung Hsing University (NCHU) has developed to be a comprehensive university in Central Taiwan. The university consists of eight colleges (Liberal Arts, Agriculture and Natural Resources, Science, Engineering, Life Sciences, Veterinary Medicine, Management, and Law and Politics), seven research centers, four experimental forest stations, a veterinary hospital, and two agricultural and husbandry experimental farms.

## FIELDS OF INTEREST FOR COLLABORATION

1. Research collaboration
2. Lab exchange programs
3. Dual degree programs
4. Partnership development
